

NEUTRAL FLOOR CLEANER

NEUTRAL FLOOR CLEANER is a neutral, universal type cleaning agent. It is a blend of synergized nonionic surfactants built into a concentrated detergent complex which is equally effective in all normal waters. Being in nature, it is non-destructive and non-corrosive to fibers and common hard surfaces including normal domestic and commercial flooring. It has an efficient emulsifying action against both mineral and food oils and therefore a wide spectrum of valuable uses.

FEATURES

General Purpose Neutral detergent, compatible with **SPACE** floor care range, free of harsh alkalis, acids or solvents, rapid wetting action.

BENEFITS

A multi-purpose product than can be used with confidence on almost any surface, part of a floor care system that gives optimum results, safe to use on almost any surface, versatile cleaning action at all dilutions.

For use on all common floor surfaces. **NEUTRAL FLOOR CLEANER** is neutral and totally free from harsh alkalis, acids or solvents. It relies for its versatile cleaning action upon a balanced rapid wetting action. **NEUTRAL FLOOR CLEANER** has powerful detergency, dependable emulsification and rinses off easily. Because of its neutral characteristics it is quite safe on normal industrial and building surfaces.
