

DESCRIPTION:

Lizard Breath™ is a pH Neutral iron fallout remover designed to break down rail dust, brake dust, industrial fallout and stuck on iron deposits. The liquid formula creates a chemical reaction that turns the contamination into a water-soluble solution. A deep purple colour shows the reaction has started and after 4 to 5 minutes simply rinse it off from the wheels or painted surfaces on your vehicle.

DIRECTIONS:

Use undiluted. Spray on to surface and leave for 4-5 minutes. Use a pressure washer to blast off. Do not allow product to dry on surface

APPLICATIONS:

Iron and fallout remover

PROPERTIES:

Flash point of 100°C

WARNING

Wheel Cleaning

Gloves

Available Sizes:

LB4

WARNING

- H302 Harmful if swallowed
- H315 Causes skin irritation
- H319 Causes serious eye irritation
- H373 May cause damage to organs through prolonged or repeated exposure

WARNING: Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause lung irritation.

SAFETY PRECAUTIONS: Avoid breathing vapours/spray. Use only outdoors or in a well ventilated area. Wash hands thoroughly after use. Wear protective gloves and eye/face protection. Do not eat, drink or smoke when using this product. Keep only in original container. Avoid release to the environment.

FIRST AID:

- Eye Flush with lukewarm water for at least 15 minutes. Seek medical attention if problems persists.
- Skin If skin contact causes irritation remove contaminated clothing and wash thoroughly with soap and water.
- Ingestion Do not induce vomiting. Wash mouth with water and give water to drink.

If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre. (24 hrs): 0800 POISON[764 766].

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

DISCLAIMER

The technical data and information provided, including the recommendations for applying & using our products, is given in good faith based on our current knowledge and experience and is believed to be accurate when applied under 'normal' conditions. In practice, the materials, surfaces or conditions are so varied that no warranty regarding the working results or any liability or guarantee can be inferred either from this information nor from a verbal consultation. It is recommended that the user makes his or her own tests to determine the suitability of the product for their own requirements.
